### Chart to determine maximum income levels for family size

Calculate the number of bedrooms that corresponds to your family size on the chart & corresponding maximum income. It is important to note that we are NOT asking for the number of bedrooms in your home; the information we need is how many bedrooms your family size would require according to the chart.			
Number of Family Members	# of Bedrooms	Gross Monthly/Annual Income	
		Monthly	Annual
<b>2</b>	1	3,000	36,000
